Billy Hopkins bases his engaging novel, Tommy's World, on the fascinating and inspiring life of his father Tommy, born in a Manchester slum in 1886. Perfect for fans of Lindsey Hutchinson and Maureen Lee. 'The characters will stay with you after you've finished the book, but what you won't be left with is the sickly sweet taste of nostalgia. If you like to learn something from a good story then this could well be the book for you' - The Bookbag Tommy Hopkins' early years aren't very promising. Born at the end of the nineteenth century in a slum district of Manchester, he's blessed with a loving, hard-working mam and dad, but they don't have two ha'pennies to rub together. The family is struck by tragedy not once but twice - but Tommy is a survivor. He quickly makes friends at school, and together they plot money-making schemes, settle scores and play lots of football. Denied the chance of a promising career as an engineer, Tommy finds employment at Manchester's Smithfield market and works his way up, finally becoming a porter. He's turning into a man, and amongst the young women who catch his eye is Kate Lally, who may just be the love of his life...
