Asha and Sam. Their friendship is so long established, they take it for granted. Just as Asha takes for granted that Donnybrooke, the mansion that sits on the highest hill in Coreville, is the best house in town. But when Sam is accepted into snobbish Castleton Academy as an autistic 'Miracle Boy,' he leaves Asha, who is also autistic, to navigate middle school alone. He also leaves her wondering if she can take anything for granted anymore. Because soon Sam is spending time with Prestyn, Asha's nemesis, whose family owns Donnybrooke and, since a housewarming party gone wrong, has forbidden Asha to set foot inside. Who is Asha without Sam? And who will she be when it becomes clear that Prestyn's interest in her friend isn't so friendly?"--Provided by publisher Who could walk on water? This book brings together some of his finest quotes on a variety of subjects, from his opinions on war to his views on life, as well as some of his more humorous moments. If you dream of writing and illustrating a children's book - and getting it published - you're not alone. You want to know what it is that successfully published illustrators do that gets them the top authors and books. This book will help you see what the difference is. It displays, in full color, the very best in contemporary American children's book illustration as selected by the Society of Illustrators for The Original Art Exhibition 1992. More than 500 of the best children's book illustrators and publishers submit newly published children's books to a jury of respected experts such as Alan Cober, Charles Santore, Ted Lewin and Joanna Long. Here you'll find the work of the finalists chosen by this distinguished panel to be included in the annual exhibition in New York. The 160 artists represented here include renowned children's book illustrators such as Richard Egielski, Anita Lobel, Leo and Diane Dillon, Trina Schart Hyman, and Jerry Pinkney, as well as up-and-coming talent such as David Wiesner, Chris Raschka, and Henrik Drescher. From this book, you'll find out what's selling and which types of art are being selected for which types of books. You'll find a short caption for each piece, offering valuable information about the book, including its author, publisher, the story it tells, and the medium in which the illustrator worked. You'll also discover new talent. But most of all, you'll be inspired by the range and beauty of the art itself.*

*As more species' genomes are sequenced, computational analysis of these data has become increasingly important. The second, entirely updated edition of this widely praised textbook provides a comprehensive and critical examination of the computational methods needed for analyzing DNA, RNA, and protein data, as well as genomes. The book has been rewritten to make it more accessible to a wider audience, including advanced undergraduate and graduate students. New features include chapter guides and explanatory information panels and glossary terms. New chapters in this second edition cover statistical analysis of sequence alignments, computer programming for bioinformatics, and data management and mining. Practically oriented problems at the ends of chapters enhance the value of the book as a teaching resource. The book also serves as an essential reference for professionals in molecular biology, pharmaceutical, and genome laboratories.*

*Strong heroines and riveting storytelling are the hallmark of groundbreaking fantasy author Kate Elliott (Crown of Stars, Crossroads). Her long-awaited first collection showcases twenty years of her finest work. Captured here are many of Elliott's previously out-of-print tales, four previously unpublished essays, and a brand new Crossroads story, "On the Dying Winds*

of the Old Year and the Birthing Winds of the New." Elliott's bold adventuresses, complex quests, noble sacrifices, and hard-won victories shine in classic, compact legends. In "The Memory of Peace," a girl's powerful emotions rouse the magic of a city devastated by war. Meeting in "The Queen's Garden," two princesses unite to protect their kingdom from the blind ambition of their corrupted father. While "Riding the Shore of the River of Death" a chieftain's daughter finds an unlikely ally on her path to self-determination. Elliott's many readers, as well as fantasy fans in search of powerful stories featuring well-drawn female characters, will revel in this unique gathering of truly memorable tales. The winner takes it all Do you like to be wrong? Shouldn't you? Why do you think "wrong" is "bad"? In The Very Best Bad Idea, Kirk Westwood steamrolls the long-held premise that right is good and wrong is bad. He paves the way to give anyone who sees situations differently the permission to be proud of their brilliantly unbridled "bad ideas." In this book, you'll learn about: -- The History of Thinking, and how we might be wired incorrectly for the society we live in today. -- An in depth analysis of popular cliches like "don't reinvent the wheel" and "build a better mousetrap" and why we might need to "make friends with the mouse". -- Why people should start embracing their unique views of the world as they are the true genesis of innovation and creativity. And so much more! This book speaks to the entrepreneurs, the creatives, the innovators, and the outcasts as they seek out the secret to conquering innovation. It's an unconventional look at a conventional problem. If you're ready to release the "Kreative" and embrace your individual perspective, get ready for the The Very Best Bad Idea. One of India's finest and most prolific writers, Ruskin Bond has been putting pen to paper for well over six decades. Since The Room on the Roof-his award-winning debut novel which introduced readers to the unforgettable Rusty, the orphan from Dehradun-Bond has created characters both charming and eccentric, which have endured in popular imagination. And, in what is perhaps his most towering achievement, Bond has brought to pulsing life the mountains, valleys and rivers of Garhwal, as well as the quiet magic of small, tucked-away places, in book after book. The Writer on the Hill is a comprehensive selection of Bond's fiction and non-fiction, both popular and little-known. In 'Masterji', a young man meets his old Hindi teacher on a train platform, in handcuffs. In the excerpt from The Room on the Roof, Rusty stands up to his bullying guardian. 'Man and Leopard' describes, in mesmerizing prose, a heart-breaking encounter between man and the wild. And, in 'Once upon a Mountain Time', Bond creates a charming portrait of his little patch of earth in Mussoorie. A tribute to one of the most popular and loved writers of India, The Writer on the Hill is also a celebration of the quiet, unhurried life, lived at one's own pace. This volume will delight Bond's fans everywhere. The five Daily Telegraph Books of*

"Drawing on fresh archival material and extensive access to Carter and his family, New York Times bestselling author Jonathan Alter tells the epic story of a man of faith and his improbable journey

*from barefoot boy in the vicious Jim Crow South to global icon. We learn how Carter evolved from a timid child into an ambitious naval nuclear engineer and an indefatigable born-again governor; how as a president he failed politically amid the bad economy of the 1970s and the seizure of hostages in Iran but succeeded in engineering peace between Israel and Egypt, amassing a historic environmental record, moving the government from tokenism to diversity, setting a new global standard for human rights, and normalizing relations with China, among dozens of other unheralded achievements. After leaving office, Carter revolutionized the postpresidency with the bold global accomplishments of the Carter center”--Cover.*
