The neuro rehab text that mirrors how you learn and how you practice! Take an evidence-based approach to the neurorehabilitation of adult and pediatric patients across the lifespan that reflects the APTA's patient management model and the WHO's International Classification of Function (ICF). You'll study examination and interventions from the body structure/function impairments and functional activity limitations commonly encountered in patients with neurologic disorders. Then, understanding the disablement process, you'll be able to organize the clinical data that leads to therapeutic interventions for specific underlying impairments

and functional activity limitations that can then be applied as appropriate anytime they are detected, regardless of the medical diagnosis. The time for "playing small" is well past, but unfortunately we didn't receive an owner's manual when we decided to incarnate and "borrow" these bodies for this human experience. Power tools appear to be everyday devices, but these tools can improve the human experience and build a reality that is constructed on a firm foundation of core values. Learn why you are here, how to use your thoughts to construct a richer reality, and how to create success in relationships, business, wealth and health. Chi power training manual. Chi power plus showcases many different internal chi power techniques from moving small objects to using your energy to attract or repel. Master secrets of Qigong will give you valid information and scientific proof that what we teach in the Inner Circle works, and it can work for you. Liberate yourself by understanding and mastering power dynamics All social relations are laden with power. Getting out from under dominant power relations and mastering power dynamics is perhaps the most essential skill for change agents across all sectors seeking to ignite positive change in the world. This concise action manual explores major concepts of power, with a focus on the dynamics of domination and liberation, and presents methods for shifting power relations and enacting freedom. The Power Manual: Clearly distills the major theories of power from post-modern and feminist theory to business management and developmental psychology, and beyond Examines key ways that power is deployed and transformed in society Presents a new theory of power based on enactment-the bringing of something to life through one's actions Explains how to refuse powerless identities and enact powerful ones Helps readers choose egalitarian interactions over domination Demonstrates mastering the process of power expansion Features workshop games and group activities for identifying and shifting power relations. This accessible action manual is ideal for change agents, leaders, and activists across all nonprofit and business sectors aiming to understand, master, and shift power relations.
