Everything seems With a breakneck pace and cat-and-mouse twists, Spring Break is the ultimate beach read. "Help me . . ." These are the last words Chanetelle hears from her friend Ashley, in a static-filled phone call that soon goes dead. Their trip to the island paradise of Artula started the way any trip should, and soon Chanetelle and her friends find themselves in sun-drenched days and party-hopping nights. The vacation is not without its conflicts, however, and old rivalries and new jealousies come to light as the week passes. But no one expects things to turn as ugly as they do. No one expects that they won't all return. And no one expects that murder might be the ultimate souvenir. When Ashley disappears, the question is asked: Was it a random act of violence? Or is something more sinister going on? And is Ashley really dead, after all? "Drawing on real-life tragedies, Perrin creates an unforgettable and chilling tale of the seamy side of an island paradise." - Booklist A tween is forced to use her photography skills to track down a missing classmate during a class trip in New York City in this M!X novel from the

author of The Bling Queen. After years of suffering through the most boring spring vacations ever, Avalon Kelly is ready for a week of adventure. On a hash-tagged whim, she entered the PhotoReady app's spring break getaway contest to NYC—and won! But right away, this trip of a lifetime isn't turning out as planned. Avalon's best friend isn't one of the PhotoReady winners, which means that not only will Avalon have to venture to the Big Apple by herself, but she'll be assigned a stranger as a roommate. The perky and talkative Sofia seems pleasant enough, but snooty Kensington—who was placed in Room 609 at the last moment due to a mix-up—is a whole other story. Just when Avalon is about ready to abandon the trip entirely, one of the fellow contest winners, the cute and mysterious Tate, disappears from the group, and the Room 609 girls must band together, using the clues within their photographs, if they have any hope of tracking him down. Will the hunt for Tate and the view of New York City through her camera lens be enough to convince Avalon to stick it out for the full week? How did spring break become what it is today? What pressure do teens and college students feel to join in? How do we talk to them about it? What's the correct response to the "spring break phenomenon"? What does it mean to actually take a break? All these questions and more are answered in this insightful guide. Parent Guides are your one-stop shop for biblical guidance on teen culture, trends, and struggles. The history of John Tarleton's college in Stephenville, Texas was the setting for the story of Tarleton's Baptist student ministry that began in 1921. The Baptist Student Union met on campus until 1947 when the Baptist General Convention of Texas purchased property for \$12,000 from the Jones family one block from the college campus. In 1947, the old house was converted into space for the new ministry with living quarters in the back for the first full-time B.S.U. Director, Felix Gresham. Further improvements to the old building continued until the second and current Baptist student center was built in 1986. The land was purchased for \$20,000 by the Erath Baptist Association in 1979 and then given to the Baptist General Convention. The Tarleton Baptist Student Ministry continues to meet the spiritual needs of thousands of students through Beach Reach, Mission trips, Noon Luncheons, Bible Studies, Leadership Training, and Prayer groups.
