*Royal Navy Officer's Jutland Pocket-Manual 1916* Feb 19 2022 Published in the months leading up to the Battle of Jutland, W.M. James' *New Battleship Organisations*, was the ultimate guide to command and organization of every aspect of a modern First World War capital ship. The book provides a unique, and highly revealing, insight into life aboard ship, the mechanics of command, seamanship, the issuing of orders, and the broad expectations placed upon British naval officers. Specific sections are dedicated to the organization of watches, the division of work (from fellow officers right through the ship's company to the ratings), naval routine, parades, anchor and cable work, coaling and right down to the organization of chapel, on-board shops, cleaning and even the ship's barbers. A series of detailed tables, diagrams and humorous cartoons accompany the lucid, period language of the First World War Senior Service and provide a further glimpse below-decks that will appeal to social and family

historians, and anyone with a general or specialist interest in naval history. The book, re-published here by the Pool of London Press as *The Royal Navy Officer's Jutland Pocket-Manual 1916*, marks the centenary of the First World War's most famous, and deadly naval encounter.

**Girl Scout Collectors' Guide** Jul 24 2022 In more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and more--from the founding of the Girl Scouts in 1912 through the present day. "An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls." --Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA "An indispensable reference

for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material culture brings the past to life." --Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood*

*Delinquents and Debutantes* Sep 26 2022 The first volume to examine young girls' culture in the U.S. in the 20th century. Essays address such topics as board games and the socialization of adolescent girls, dolls and political ideologies, female juvenile delinquency, and more, to demonstrate how cultural discourses shape both the young and teenage girl in America. 9 illustrations.

*1918: The Year of Victories* Sep 02 2020 At the outset of 1918 Germany faced certain defeat as a result of Allied technical innovation in tanks and aircraft, and the American entry into the war. Victory could only be gained by the immediate application of overwhelming force in new tactical form; the 'fire-waltz' artillery barrage and the storm-trooper infantry attack. 1918 examines...
