This book offers a comprehensive view of the 100 most significant films ever produced in

Bollywood. Each entry includes cast and crew information, language, date of release, a short description of the film's plot, and most significantly, the importance of the film in the Indian canon. "The world's most respected movie annual" Now in its 33rd year, the Variety International Film Guide is the world's most respected movie annual, covering all aspects of the cinema in some 60 countries. The all-new 1996 edition contains articles by more than 50 contributors, all film experts in their respective countries. This indispensable World Production Survey, which forms the core of the book, contains assessments of the year just past and the year to come in both artistic and movie industry terms and includes a valuable checklist of new and forthcoming films, producers, distributors, useful addresses and stills from the latest films. Other essential sections of the Guide include Awards, Festivals, Film Archives, Film Schools, Film Bookshops and Memorabilia, Film Books, Film Magazines, and Laser discs. The

book also features illustrated articles on five directors of the year. Peter Cowie is International publishing Director of Variety and author of numerous books on the cinema, including Ingmar Bergman, Coppola, and the recently-published World Cinema: Diary of a Day. Insight Guide to Switzerland is a pictorial travel guide in a magazine style providing answers to the key questions before or during your trip: deciding when to go to Switzerland, choosing what to see, from exploring Lake Geneva to discovering Ticino or creating a travel plan to cover key places like Zurich and the Bernese Oberland. Switzerland, how to get there and how to get around, as well as Switzerland's climate, advice on tipping, etiquette and more. STRIKING PICTURES Features inspirational colour photography, including the stunning Matterhorn and the spectacular Lake Geneva. This major study reconsiders the creation of the Gandhian legend through the myriad texts and images that helped spread it through both India and the Western world. In revealing how the picture of the Mahatma as saint-as-politician was founded on Indian nationalistic selectivity and limited Western representations of Gandhi, Claude Markovits shows how Gandhi's legend has obscured the facts of his public career. Gandhi's professional role in the public sphere, Markovits argues, was heavily influenced by his long and critical phase of maturation in South Africa, a period often dismissed as the precursor to his celebrated work in India. Markovits proposes that Gandhi's later Indian career, marked by his meteoric rise to prominence, was the result of

his own radical self-reinvention as he negotiated the pitfalls of political life in order to create his influential political manifesto. In re-evaluating critical stages of Gandhi's career, and his sometimes ambivalent ideological positions, Markovits confronts the discrepancies between his early and late careers, closely rereading the Mahatma's varying intellectual positions as described both within his own writings and in those by commentators and biographers. Rather than seeing Gandhi as an upholder of traditional Indian values, Markovits stresses the paradoxical modernity of Gandhi's anti-modernism. First Published in 1999. Routledge is an imprint of Taylor & Francis, an informal company. A collection of capsule reviews of films selected from the first century of movie-making spans a wide range of genres and styles, from classic documentaries and Russian silent films to blockbuster Hollywood movies. Original. 40,000 first printing. In the world of globalized media, provocative images trigger culture wars

between traditionalists and cosmopolitans, between censors and defenders of free expression. But are images censored because of what they mean, what they do, or what they might become? And must audiences be protected because of what they understand, what they feel, or what they might imagine? At the intersection of anthropology, media studies, and critical theory, *Censorium* is a pathbreaking analysis of Indian film censorship. The book encompasses two moments of moral panic: the consolidation of the cinema in the 1910s and 1920s, and the global avalanche of images unleashed by liberalization since the early 1990s. Exploring breaks and continuities in film censorship across colonial and postcolonial moments, William Mazzarella argues that the censors' obsessive focus on the unacceptable content of certain images and the unruly behavior of particular audiences displaces a problem that they constantly confront yet cannot directly acknowledge: the volatile relation

between mass affect and collective meaning. Grounded in a close analysis of cinema regulation in the world's largest democracy, *Censorium* ultimately brings light to the elusive foundations of political and cultural sovereignty in mass-mediated societies. Explore one of Tamil Nadu's many grand Hindu temples, stopping to savour the smell of jasmine garlands piled up before carved granite gods. Crane your neck to see the top of these towering pyramid-like temples adorned with the statues of deities, warriors and dancers. Escape the heat by following the footsteps of the British colonialists into the charming hill stations, or go surround yourself by nature in the blue Nilgiri mountains. Featuring detailed coverage of this wonderfully diverse region, *Footprint Focus Chennai & Tamil Nadu* will prove an invaluable companion. • Essentials section with practical tips on getting there and around. • Background section with fascinating information on the region's unique history, culture & cuisine. • Comprehensive

listings of where to eat, sleep & play including festivals and horse riding. • Detailed street maps for important cities and towns. • Slim enough to fit in your pocket. Loaded with advice and information, this concise *Footprint Focus* guide will help you get the most out of Tamil Nadu without weighing you down. The content of the *Footprint Focus Chennai & Tamil Nadu* guide has been extracted from *Footprint's India Handbook*. More a continent than a county, India is an overload for the senses. From the Himalayan peaks of Sikkim to the tropical backwaters of Kerala, the desert forts of Rajasthan to the mangroves of West Bengal, India's breathtaking diversity of landscapes is matched only by its range of cultures, cuisines, religions and languages. The new, full-colour *Rough Guide to India* gives you the lowdown on this beguiling country, whether you want to hang out in hyper-modern cities or explore thousand-year-old temples, track tigers through the forest or take part in age-old festivals, get a

taste of the Raj or watch a cricket match. And easy-to-use maps, reliable transport advice, and expert reviews of the best hotels, restaurants, bars, clubs and shops for all budgets ensure that you won't miss a thing. Make the most of your time with The Rough Guide to India. Now available in ePub format. This region takes in the contrasts of India. destinations. • Slim enough to fit in your pocket. With detailed information on all the main sights, plus many lesser-known attractions, Footprint Focus Delhi to Kolkata provides concise and comprehensive coverage of one of India's most fascinating regions. The content of Footprint Focus Delhi to Kolkata guide has been extracted from Footprint's India Handbook. 'Bollywood' is the dominant global term to refer to the prolific Hindi language film industry in Bombay (renamed Mumbai in 1995). Characterized by music, dance routines, melodrama, lavish production values and an emphasis on stars and spectacle, Bollywood films have met with box-office success and enthusiastic audiences from India to West Africa to Russia, and throughout the English-speaking world. In Bollywood, anthropologist and film scholar Tejaswini Ganti provides a guide to the cultural, social and political significance of Hindi cinema, outlining the history and structure of the Bombay film industry, and the development of popular

filmmaking since the 1930s. The book explores the evolution of Gandhi's ideas, his attitudes toward religion, the racial problem, the caste system, his conflict with the British, his approach to Muslim separatism and the division of India, his attitude toward social and economic change, his doctrine of nonviolence, and other key issues. In modern culture, nothing matters more than the movies, says popular film critic and Jesuit Richard Leonard. Movies shape our global civilization. We watch them incessantly, relax with them, argue about them. But movies are much more than casual entertainment and subjects for small talk. They have become the preferred medium for ideas and values and morally serious expression. We need to take movies seriously, Leonard says. To do so, we need to learn how to "read" a film. In *Movies That Matter*, Leonard views 50 important movies through a "lens of faith"—an informed Christian point of view that immeasurably deepens the astute moviegoer's viewing experience. He

shows how the great directors, screenwriters, and actors employ the "language of film" to celebrate the human spirit and put us in touch with the divine. This knowledgeable, vividly written, provocative guide is an excellent resource for every reader seeking deeper understanding of what the movies are saying. In a nation singularly obsessed with politics on the one hand and cinema on the other, the point where the two intersect arouses avid curiosity and interest. What draws the larger-than-life personalities who entertain us on screen to the world of governance and politics off-screen? *Neta Abhineta: Bollywood Star Power in Indian Politics* traces this phenomenon through intimate and compelling portrayals of some of the most popular actors in Hindi cinema who have, from the years leading up to India's independence in 1947, entered Indian politics for reasons ranging from a sense of social commitment to a desperate quest for a second chance at fame when their star power dimmed.

Dilip Kumar, Nargis and Sunil Dutt, Rajesh Khanna, Jaya and Amitabh Bachchan, Shatrughan Sinha, Hema Malini, Mithun Chakraborty, Jaya Prada, Vinod Khanna, Govinda, Raj Babbar and Paresh Rawal are some of the more prominent names that feature in this engaging account involving film veterans, superstars and also-rans. Blending history with hard facts and entertaining anecdotes about personal and professional rivalries, clandestine romantic liaisons and cruel betrayals, Rasheed Kidwai's latest offering presents a potent cocktail. With its clear-eyed perspective on the peculiar nature of Indian politics and its newfound addiction to social media, as well as fresh and fascinating insights into the power games that drive show business and politics, this book reveals what ensues when the two worlds - as intensely alluring as they are dangerously fickle - merge. The Rough Guide to India is the essential travel guide to this fascinating country. It covers all the major areas, from Delhi's

Paharganj to Havelock Island in the Andamans, with reviews of the best resorts, hotels, restaurants and nightlife for every taste and budget. The guide includes practical advice on exploring all the attractions, like the stunning temples, mosques and museums, and details all you need to know about the country's history, religions, wildlife and predominant language, Hindi. The Rough Guide to India has dozens of easy-to-use maps, covering all the states, major cities and other areas of interest to travellers. Plus, superb photography across sections show India's highlights and a basics section covers essentials such as social and etiquette tips. Make the most of your trip with The Rough Guide to India. Now available in epub format. Delhi bombards the senses with its vibrant chaos, yet not far away is the peace of the mountains. From spiritual pursuits to mountain trekking, Footprint Focus provides invaluable information on transport, accommodation, eating and entertainment to ensure that your trip

includes the best of this fascinating country. • Essentials section with useful advice on getting to and around Northwest India. • Comprehensive, up-to-date listings of where to eat, sleep and play. • Includes information on tour operators and activities, from spectacular railway journeys to Raj relics. • Detailed maps for Delhi & around. • Slim enough to fit in your pocket. With detailed information on all the main sights, plus many lesser-known attractions, Footprint Focus Delhi & Northwest India provides concise and comprehensive coverage of one of the most beautiful regions of India. ASIAN RELIGIONS “A unique introduction to Asian religions, combining the scholarly rigor of an established historian of Asian religions with the willingness to engage empathetically with the traditions and to suggest that readers do the same.” Joseph A. Adler, Kenyon College “Randall L. Nadeau has accomplished what only a few have tried, but which has been much needed in the study of religions. He has written a

genuinely novel approach to the religions of Asia... This is a work that should find its way into Asian humanities, history, religion, and civilization courses.” Ronnie Littlejohn, Belmont University This all-embracing introduction to Asian religious practices and beliefs takes a unique approach; not only does it provide a complete overview of the basic tenets of the major Asian religions, but it also demonstrates how Asian spiritualities are lived and practiced, exploring the meaning and significance they hold for believers. In a series of engaging and lively chapters, the book explores the beliefs and practices of Confucianism, Taoism, Hinduism, Buddhism, and Japanese religions, including Shintō. Using a comparative approach, it highlights the contrasts between Asian and Western modes of thinking and living, and debates the influence of religion on real-world issues including work, economic growth, the environment, human rights, and gender relations. Nadeau, a leading figure in this field,

takes an empathetic approach to Asian religious and cultural traditions, and considers Asian spiritualities to be viable systems of belief for today's global citizens. Integrating exercises, activities, and an appealing mixture of examples, such as novels and biographies, this refreshing book leads readers to an enhanced understanding of the ideas and practice of Asian religions, and of their continuing relevance today. The guide opens with a colour section introducing the region's highlights with some photography and essential information on the region's diverse attractions, from enjoying an Ayurvedic massage to exploring the ruins at Hampi. It offers comprehensive and practical advice on everything from finding the best places to stay and the most comfortable means of transport, to spotting elephants in the Cardamon Hills and negotiating Mumbai. It also provides an informative insight into South India's history, religions, architecture, music and dance. There are also maps and plans for every

region and town. Contains alphabetically arranged entries that identify and assess the biographical materials available on over five hundred notable historical figures, listing autobiography and primary sources, recommended biographies and juvenile biographies, other biographical studies, biographical novels, fictional portraits, and biographical films and theatrical adaptations. This book engages with the socio-cultural imaginings of Gandhi in literature, history, visual and popular culture. It explores multiple iterations of his ideas, myths and philosophies, which have inspired the work of filmmakers, playwrights, cartoonists and artists for generations. Gandhi's politics of non-violent resistance and satyagraha inspired various political leaders, activists and movements and has been a subject of rigorous scholarly enquiry and theoretical debates across the globe. Using diverse resources like novels, autobiographies, non-fictional writings, comic books, memes,

cartoons and cinema, this book traces the pervasiveness of the idea of Gandhi which has been both idolized and lampooned. It explores his political ideas on themes such as modernity and secularism, environmentalism, abstinence, self-sacrifice and political freedom along with their diverse interpretations, caricatures, criticisms and appropriations to arrive at an understanding of history, culture and society. With contributions from scholars with diverse research interests, this book will be an essential read for students and researchers of political philosophy, cultural studies, literature, Gandhi and peace studies, political science and sociology. An author subject index to selected general interest periodicals of reference value in libraries. Get the lowdown on the best fiction ever written. Over 230 of the world's greatest novels are covered, from Quixote (1614) to Orhan Pamuk's Snow (2002), with fascinating information about their plots and their authors - and suggestions for what to read next. The guide

comes complete with recommendations of the best editions and translations for every genre from the most enticing crime and punishment to love, sex, heroes and anti-heroes, not to mention all the classics of comedy and satire, horror and mystery and many other literary genres. With feature boxes on experimental novels, female novelists, short reviews of interesting film and TV adaptations, and information on how the novel began, this guide will point you to all the classic literature you'll ever need. Help your students develop critical-viewing skills while they deepen their understanding of world history! Enhances exploration of world history through the study of compelling films. Thoroughly revised and revamped with expanded coverage for its tenth edition, The Rough Guide to India is the ultimate travel guide to one of the world's great travel destinations. From the majestic landscapes of the Himalayas to the tropical backwaters of Kerala, the Rough Guide covers this endlessly fascinating country

in unparalleled depth, with crystal-clear mapping and stunning photography throughout. Rough Guides' team of experts bring you all the major headline sights, from the "Golden Triangle" of Delhi, Agra and Rajasthan to the beaches of Goa, and insider knowledge on new and off-the-beaten-track destinations, such as up-and-coming beach resorts and newly created wildlife reserves, with the most reliable background coverage available. You'll also find practical tips on the latest developments in this fast-changing destination, from the new e-Tourist visa programme (making it easier and cheaper to visit than ever before) to the explosion in B&Bs, home stays and hostels, the rise in adventure travel and even the incipient craft beer scene. Whether you're planning the holiday of a lifetime or a six-month backpacking adventure, The Rough Guide to India will ensure you don't miss a thing. In Bollywood, anthropologist and film scholar Tejaswini Ganti provides a guide to the cultural, social and

political significance of Hindi cinema, outlining the history and structure of the Bombay film industry, and the development of popular Hindi filmmaking since the 1930s. Providing information and commentary on the key players in Bollywood, including composers, directors and stars, as well as material from current filmmakers themselves, the areas covered in Bollywood include: history of Indian cinema main themes and characteristics of Hindi cinema significant films, directors and stars production and distribution of Bollywood films interviews with actors, directors and screenwriters. Anyone interested in, or studying Bollywood cinema will find this a valuable purchase. Soon after film came into existence, the term epic was used to describe productions that were lengthy, spectacular, live with action, and often filmed in exotic locales with large casts and staggering budgets. The effort and extravagance needed to mount an epic film paid off handsomely at the box office, for the genre became an immediate

favorite with audiences. Epic films survived the tribulations of two world wars and the Depression and have retained the basic characteristics of size and glamour for more than a hundred years. Length was, and still is, one of the traits of the epic, though monolithic three- to four-hour spectacles like *Gone with the Wind* (1939) and *Lawrence of Arabia* (1962) have been replaced today by such franchises as the Harry Potter films and the *Lord of the Rings* trilogy. Although the form has evolved during many decades of existence, its central elements have been retained, refined, and modernized to suit the tastes of every new generation. The *Encyclopedia of Epic Films* identifies, describes, and analyzes those films that meet the criteria of the epic—sweeping drama, panoramic landscapes, lengthy adventure sequences, and, in many cases, casts of thousands. This volume looks at the wide variety of epics produced over the last century—from the silent spectacles of D. W. Griffith and biblical melodramas of Cecil B.

DeMille to the historical dramas of David Lean and rollercoaster thrillers of Steven Spielberg. Each entry contains: Major personnel behind the camera, including directors and screenwriters  
Cast and character listings  
Plot summary  
Analysis  
Academy Award wins and nominations  
DVD and Blu-ray availability  
Resources for further study  
This volume also includes appendixes of foreign epics, superhero spectacles, and epics produced for television, along with a list of all the directors in the book. Despite a lack of overall critical recognition and respect as a genre, the epic remains a favorite of audiences, and this book pays homage to a form of mass entertainment that continues to fill movie theaters. The *Encyclopedia of Epic Films* will be of interest to academics and scholars, as well as any fan of films made on a grand scale. Richard Gilman referred to *How to Read a Film* as simply "the best single work of its kind." And Janet Maslin in *The New York Times Book Review* marveled at James Monaco's ability to

collect "an enormous amount of useful information and assemble it in an exhilaratingly simple and systematic way." Indeed, since its original publication in 1977, this hugely popular book has become the definitive source on film and media. Now, James Monaco offers a special anniversary edition of his classic work, featuring a new preface and several new sections, including an "Essential Library: One Hundred Books About Film and Media You Should Read" and "One Hundred Films You Should See." As in previous editions, Monaco once again looks at film from many vantage points, as both art and craft, sensibility and science, tradition and technology. After examining film's close relation to other narrative media such as the novel, painting, photography, television, and even music, the book discusses the elements necessary to understand how films convey meaning, and, more importantly, how we can best discern all that a film is attempting to communicate. In addition, Monaco stresses the

still-evolving digital context of film throughout--one of the new sections looks at the untrustworthy nature of digital images and sound--and his chapter on multimedia brings media criticism into the twenty-first century with a thorough discussion of topics like virtual reality, cyberspace, and the proximity of both to film. With hundreds of illustrative black-and-white film stills and diagrams, *How to Read a Film* is an indispensable addition to the library of everyone who loves the cinema and wants to understand it better. Selectively drawing on the literature from the 1920s to 1990s, this volume covers Gandhi's life, political campaigns, philosophy, and significance. Presents guidelines to developing a high-quality core library collection, and includes discussions on the philosophy behind core collections, strategies for their implementation, and lists containing selection criteria. Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock

from R&B through punk and rap This book analyses 100 years of Hindi cinema, India's principal film industry, to explore how much space it has given to Mahatma Gandhi, the most prominent leader of the Indian struggle for freedom, and his principles. It compares films on Gandhi with the written literature on him, and juxtaposes the celluloid Gandhi with the man who walked on the earth 'ever in flesh and blood'. From his childhood through his legal practice in South Africa to his non-violent struggle against the British Empire in India, the book covers all major events of his life and their portrayal on the silver screen. Sets movies in the contexts of their aesthetic and technological

antecedents and reviews all important factors of and issues pertaining to contemporary film and television production and theory. This book traces the historical roots of marginalization of Dalits, Adivasis, Muslims and Women in Indian Society and appraises the role of the State in combating the widespread discrimination faced by them in society, economy, politics and governance, and in their own struggles for dignity and social justice. Please note: This title is co-published with Aakar Books, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh, Maldives and Sri Lanka.
