[The Hanging of Afzal Guru and the Strange Case of the Attack on the Indian Parliament](#) Oct 13 2021 On 13 December 2001, the Indian Parliament was attacked by a few heavily armed men. Eleven years later, we still do not know who was behind the attack, nor the identity of the attackers. Both the Delhi high court and the Supreme Court of India have noted that the police violated legal safeguards, fabricated evidence and extracted false confessions. Yet, on 9 February 2013, one man, Mohammad Afzal Guru, was hanged to 'satisfy' the 'collective conscience' of society. This updated reader brings together essays by lawyers, academics, journalists and writers who have looked closely at the available facts and who have raised serious questions about the investigations and the trial. This new version examines the implications of Mohammad Afzal Guru's hanging and what it says about the Indian government's relationship with Kashmir.

[The Doctor and the Saint](#) Jun 09 2021 The little-known story of Gandhi's reluctance to challenge the caste system, and the man who fought fiercely for India's downtrodden. Democracy hasn't eradicated caste, argues bestselling author and Booker Prize-winner Arundhati Roy—it has entrenched and modernized it. To understand caste today in India, Roy insists we must examine the influence of Gandhi in shaping what India ultimately became: independent of British rule, globally powerful, and marked to this day by the caste system. Roy states that for more than a half century, Gandhi's pronouncements on the inherent qualities of black Africans, Dalit "untouchables," and the laboring classes remained consistently insulting, and he also refused to allow lower castes to create their own political organizations and elect their own representatives. But there was someone else who had a larger vision of justice—a founding father of the republic and the chief architect of its constitution. In *The Doctor and the Saint*, Roy introduces us to this contemporary of Gandhi, B.R. Ambedkar, who challenged the thinking of the time and fought to promote not merely formal democracy, but liberation from the oppression, shame, and poverty imposed on millions of Indians by an archaic caste system. This is a fascinating and surprising look at two men—one of whom has become a worldwide symbol and the other of whom remains unfamiliar to most outside his native country. Praise for Arundhati Roy "Arundhati Roy is incandescent in her brilliance and her fearlessness." —Junot Díaz "The fierceness with which Arundhati Roy loves humanity moves my heart." —Alice Walker

Nightmarch Dec 23 2019 Shortlisted for the Orwell Prize Shortlisted for the New India Foundation Book Prize Anthropologist Alpa Shah found herself in an active platoon of Naxalites—one of the longest-running guerrilla insurgencies in the world. The only woman, and the only person without a weapon, she walked alongside the militants for seven nights across 150 miles of dense, hilly forests in eastern India. Nightmarch is the riveting story of Shah's journey, grounded in her years of living with India's tribal people, an eye-opening exploration of the movement's history and future and a powerful contemplation of how disadvantaged people fight back against unjust systems in today's world. The Naxalites have fought for a communist society for the past fifty years, caught in a conflict that has so far claimed at least forty

thousand lives. Yet surprisingly little is known about these fighters in the West. Framed by the Indian state as a deadly terrorist group, the movement is actually made up of Marxist ideologues and lower-caste and tribal combatants, all of whom seek to overthrow a system that has abused them for decades. In *Nightmarch*, Shah shares some of their gritty untold stories: here we meet a high-caste leader who spent almost thirty years underground, a young Adivasi foot soldier, and an Adivasi youth who defected. Speaking with them and living for years with villagers in guerrilla strongholds, Shah has sought to understand why some of India's poor have shunned the world's largest democracy and taken up arms to fight for a fairer society—and asks whether they might be undermining their own aims. By shining a light on this largely ignored corner of the world, Shah raises important questions about the uncaring advance of capitalism and offers a compelling reflection on dispossession and conflict at the heart of contemporary India.

[War Talk](#) Aug 23 2022 Essays.

The Chowpatty Cooking Club (Series: Songs of Freedom) May 28 2020 Bombay, 1942 With Mahatma Gandhi's call to the British to Quit India, the city has become a hotbed of revolutionary activity—student protests, secret magazines and even an underground People's Radio which broadcasts news that the British want concealed. Sakina and her friends Zenobia and Mehul desperately want to be part of this struggle for freedom. But there is little that they are permitted to do. But at least, they are trying to do something useful, while their mothers are only running a cooking club ... The Songs of Freedom series explores the lives of children across India during the struggle for independence.

[The Ministry of Utmost Happiness](#) Mar 18 2022 New York Times Best Seller Longlisted for the Man Booker Prize Named a Best Book of 2017 by NPR, Amazon, Kirkus, The Washington Post, Newsday, and the Hudson Group A dazzling, richly moving new novel by the internationally celebrated author of *The God of Small Things* *The Ministry of Utmost Happiness* takes us on an intimate journey of many years across the Indian subcontinent—from the cramped neighborhoods of Old Delhi and the roads of the new city to the mountains and valleys of Kashmir and beyond, where war is peace and peace is war. It is an aching love story and a decisive remonstrance, a story told in a whisper, in a shout, through unsentimental tears and sometimes with a bitter laugh. Each of its characters is indelibly, tenderly rendered. Its heroes are people who have been broken by the world they live in and then rescued, patched together by acts of love—and by hope. The tale begins with Anjum—who used to be Aftab—unrolling a threadbare Persian carpet in a city graveyard she calls home. We encounter the odd, unforgettable Tilo and the men who loved her—including Musa, sweetheart and ex-sweetheart, lover and ex-lover; their fates are as entwined as their arms used to be and always will be. We meet Tilo's landlord, a former suitor, now an intelligence officer posted to Kabul. And then we meet the two Miss Jebeens: the first a child born in Srinagar and buried in its overcrowded Martyrs' Graveyard; the second found at midnight, abandoned on a concrete sidewalk in the heart of New Delhi. As this ravishing, deeply humane novel braids these lives together, it reinvents what a novel can do and can be. *The Ministry of Utmost Happiness* demonstrates on every page the miracle of Arundhati Roy's storytelling gifts.

Colours of the Cage Dec 03 2020 Arun Ferreira is from the East Indian community, the original Mumbaikars, whose villages became the localities of a sprawling metropolis. He graduated from the prestigious St. Xavier's College, Mumbai, and has been an activist since his student days. Ferreira is also a cartoonist whose drawings on social and political issues have appeared in various publications, as well as in student and worker magazines. Since his release in 2012, he continues to actively engage with issues of political prisoners, prison reforms and democratic rights. He is presently pursuing a degree in law and researching the history of the democratic rights movement in Mumbai

[Ordinary Person's Guide To Empire](#) Feb 17 2022 In Her Ordinary Person S Guide, Roy S Perfect Pitch And Sharp Scalpel Are, Once Again, A Wonder And A Joy To Behold. No Less Remarkable Is The Range Of Material Subjected To Her Sure And Easy Touch, And The Surprising Information She Reveals At Every

Turn Noam Chomsky This Second Volume Of Arundhati Roy S Collected Non-Fiction Writing Brings Together Fourteen Essays Written Between June 2002 And November 2004. In These Essays She Draws The Thread Of Empire Through Seemingly Unconnected Arenas, Uncovering The Links Between America S War On Terror, The Growing Threat Of Corporate Power, The Response Of Nation States To Resistance Movements, The Role Of Ngos, Caste And Communal Politics In India, And The Perverse Machinery Of An Increasingly Corporatized Mass Media. Meticulously Researched And Carefully Argued, This Is A Necessary Work For Our Times. The Scale Of What Roy Surveys Is Staggering. Her Pointed Indictment Is Devastating New York Times Book Review She Raises Many Vital Questions [In This Book], Which We Can Ignore Only At Our Peril Statesman With Fierce Erudition And Brilliant Reasoning, Roy Dwells On Western Hypocrisy And Propaganda, Vehemently Questioning The Basis Of Biased International Politics Asian Age Whether You Agree With Her Or Disagree With Her, Adore Her Or Despise Her, You Ll Want To Read Her Today Reading Arundhati Roy Is How The Peace Movement Arms Itself. She Turns Our Grief And Rage Into Courage Naomi Klein

The Lives of Others Feb 05 2021 Shortlisted for the Man Booker Prize Shortlisted for the Costa Novel Award Winner of the Encore Award Shortlisted for the DSC Prize for South Asian Literature Longlisted for the IMPAC Prize Calcutta, 1967. Unnoticed by his family, Supratik has become dangerously involved in extremist political activism. Compelled by an idealistic desire to change his life and the world around him, all he leaves behind before disappearing is a note. At home, his family slowly begins to unravel. Poisonous rivalries grow, the once-thriving family business implodes and destructive secrets are unearthed. And all around them the sands are shifting as society fractures, for this is a moment of turbulence, of inevitable and unstoppable change. 'Deeply moving' Amitav Ghosh 'Terrifies and delights' A S Byatt, Guardian 'Unforgettable' Daily Telegraph

Things that Can and Cannot Be Said Apr 19 2022 An activist and an actor reflect on Edward Snowden and the surveillance state in this collection that "reads like a whistleblower's travel diary" (Disorient). In late 2014, Arundhati Roy, John Cusack, and Daniel Ellsberg traveled to Moscow to meet with NSA whistleblower Edward Snowden. The result was a series of essays and dialogues in which Roy and Cusack reflect on their conversations with Snowden. In these provocative and penetrating discussions, Roy and Cusack discuss the nature of the state, empire, and surveillance in an era of perpetual war, the meaning of flags and patriotism, the role of foundations and NGOs in limiting dissent, and the ways in which capital—but not people—can freely cross borders. "Things That Can and Cannot Be Said is not a book with the solutions, nor even a comprehensive framing of the problem. Its charm and potential lies in its disarming conversational approach, offering insights-in-passing; ideas and thoughts to spark further conversations and just maybe inspire other acts of moral courage. While the book channels a palpable sense of rage—rage at imperialism, at the surveillance state, at 'Washington's ability to destroy countries and its inability to win a war'—it concludes on the topic of love." —PopMatters "It asks questions—a lot of them. It connects dots from Kashmir to Palestine to Vietnam to Virginia—leaving no one spared from scrutiny—not even themselves, as Arundhati asserts." —Disorient "The freewheeling conversations between all the participants will bring up many Eureka moments for a lot of readers. Insights that can only be gained if you are researching these topics in exhausting detail." —Firstpost

The Algebra of Infinite Justice Jan 24 2020 A Few Weeks After India Detonated A Thermonuclear Device In 1998, Arundhati Roy Wrote The End Of Imagination . The Essay Attracted Worldwide Attention As The Voice Of A Brilliant Indian Writer Speaking Out With Clarity And Conscience Against Nuclear Weapons. Over The Next Three And A Half Years, She Wrote A Series Of Political Essays On A Diverse Range Of Momentous Subjects: From The Illusory Benefits Of Big Dams, To The Downside Of Corporate Globalization And The Us Government S War Against Terror. First Published In 2001, The Algebra Of Infinite Justice Brings Together All Of Arundhati Roy S Political Writings So Far. This Revised Paperback Edition Includes Two New Essays, Written In Early 2002: Democracy: Who S She When She S At Home , That Examines The Horrific Communal Violence In Gujarat, And War Talk: Summer Games With Nuclear Bombs , About The Threat Of Nuclear War In The Subcontinent.

Red Sun Aug 31 2020 Spread over fifteen of the country's twenty-eight states, India's Maoist movement is now one of the world's biggest and most sophisticated extreme-left movements. Hardly a week passes

without people dying in strikes and counter-strikes by the Maoists—interchangeably known as the Naxalites—and the police and paramilitary forces. In this brilliant and sobering examination of the 'Other India', Sudeep Chakravarti combines reportage, political analysis and individual case histories as he takes us to the heart of Maoist zones in the country—areas of extreme destitution, bad governance and perpetual war.

The Naxalite Movement in India Mar 26 2020

Capitalism Jul 10 2021 The "courageous and clarion" Booker Prize-winner "continues her analysis and documentation of the disastrous consequences of unchecked global capitalism" (Booklist). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country's one hundred richest people own assets equivalent to one-fourth of India's gross domestic product. *Capitalism: A Ghost Story* examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism and exploitation. "A highly readable and characteristically trenchant mapping of early-twenty-first-century India's impassioned love affair with money, technology, weaponry and the 'privatization of everything,' and—because these must not be impeded no matter what—generous doses of state violence." —The Nation "A vehement broadside against capitalism in general and American cultural imperialism in particular . . . an impassioned manifesto." —Kirkus Reviews "Roy's central concern is the effect on her own country, and she shows how Indian politics have taken on the same model, leading to the ghosts of her book's title: 250,000 farmers have committed suicide, 800 million impoverished and dispossessed Indians, environmental destruction, colonial-like rule in Kashmir, and brutal treatment of activists and journalists. In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes." —Publishers Weekly

AZADI Dec 15 2021 FROM THE BEST-SELLING AUTHOR OF MY SEDITIOUS HEART AND THE MINISTRY OF UTMOST HAPPINESS, A NEW AND PRESSING DISPATCH FROM THE HEART OF THE CROWD AND THE SOLITUDE OF A WRITER'S DESK The chant of 'Azadi!' - Urdu for 'Freedom!' - is the slogan of the freedom struggle in Kashmir against what Kashmiris see as the Indian Occupation. Ironically, it also became the chant of millions on the streets of India against the project of Hindu Nationalism. Even as Arundhati Roy began to ask what lay between these two calls for Freedom - a chasm or a bridge? - the streets fell silent. Not only in India, but all over the world. The Coronavirus brought with it another, more terrible understanding of Azadi, making a nonsense of international borders, incarcerating whole populations, and bringing the modern world to a halt like nothing else ever could. In this series of electrifying essays, Arundhati Roy challenges us to reflect on the meaning of freedom in a world of growing authoritarianism. The essays include meditations on language, public as well as private, and on the role of fiction and alternative imaginations in these disturbing times. The pandemic, she says, is a portal between one world and another. For all the illness and devastation it has left in its wake, it is an invitation to the human race, an opportunity, to imagine another world.

Power Politics Jan 04 2021 With reference to India.

Listening to Grasshoppers Aug 11 2021 This series of essays examines the dark side of democracy in contemporary India. It looks closely at how religious majoritarianism, cultural nationalism and neo-fascism simmer just under the surface of a country that projects itself as the world's largest democracy. Beginning with the state-backed pogrom against Muslims in Gujarat in 2002, Arundhati Roy writes about how the combination of Hindu Nationalism and India's Neo-liberal economic reforms which began their journey together in the early 1990s are now turning India into a police state. She describes the systematic marginalization of religious and ethnic minorities - Muslim, Christian, Adivasi and Dalit, the rise of terrorism and the massive scale of displacement and dispossession of the poor by predatory corporations. The collection ends with an account of the of the August 2008 uprising of the people of Kashmir against India's military occupation and an analysis of the November 2008 attacks on Mumbai. The Dark Side of Democracy tracks the fault-lines that threaten to destroy India's precarious democracy and send shockwaves through the region and beyond.

Just Like That Sep 19 2019 For Osho, all change is individual. There is no 'society' to change—change can only happen to each one of us, one at a time. So, no matter what the subject matter of the book, the thread that runs through all Osho's words is like a love song that we can suddenly, mysteriously, hear at just the right moment. And strangely, no matter what the words seem to be referring to, they are really only referring to us. This is no ordinary love song, more an invitation to open our hearts to hear something beyond the words, beyond the heart . . . a silence beyond all understanding—where we all belong. *Just Like That* brings together Osho's talks on Sufi stories and Sufism. Osho, with his characteristic wit, incisiveness and irreverence, peels the layers of our consciousness and introduces us to ourselves.

My Native Land Jan 16 2022

Azadi: Fascism, Fiction, and Freedom in the Time of the Virus (Expanded Second Edition) May 08 2021 From the best-selling author of *My Seditious Heart* and *The Ministry of Utmost Happiness*, a new and pressing dispatch from the heart of the crowd and the solitude of the writer's desk.

The Cost of Living Nov 02 2020 From the bestselling author of *The God of Small Things* comes a scathing and passionate indictment of big government's disregard for the individual. In her Booker Prize-winning novel, *The God of Small Things*, Arundhati Roy turned a compassionate but unrelenting eye on one family in India. Now she lavishes the same acrobatic language and fierce humanity on the future of her beloved country. In this spirited polemic, Roy dares to take on two of the great illusions of India's progress: the massive dam projects that were supposed to haul this sprawling subcontinent into the modern age—but which instead have displaced untold millions—and the detonation of India's first nuclear bomb, with all its attendant Faustian bargains. Merging her inimitable voice with a great moral outrage and imaginative sweep, Roy peels away the mask of democracy and prosperity to show the true costs hidden beneath. For those who have been mesmerized by her vision of India, here is a sketch, traced in fire, of its topsy-turvy society, where the lives of the many are sacrificed for the comforts of the few. From the Trade Paperback edition.

Walking with Comrades Nov 26 2022 "The terse, typewritten note slipped under my door in a sealed envelope confirmed my appointment with "India's single biggest internal security challenge". I'd been waiting for months to hear from them...' In early 2010, Arundhati Roy travelled into the forests of Central India, homeland to millions of indigenous people, dreamland to some of the world's biggest mining corporations. The result is this powerful and unprecedented report from the heart of an unfolding revolution.

Walking with the Comrades Dec 27 2022 From the award-winning author of *The Ministry of Utmost Happiness* and *The God of Small Things* comes a searing frontline exposé of brutal repression in India. In this fiercely reported work of nonfiction, internationally renowned author Arundhati Roy draws on her unprecedented access to a little-known rebel movement in India to pen a work full of earth-shattering revelations. Deep in the forests, under the pretense of battling Maoist guerillas, the Indian government is waging a vicious total war against its own citizens—a war undocumented by a weak domestic press and fostered by corporations eager to exploit the rare minerals buried in tribal lands. Roy takes readers to the unseen front lines of this ongoing battle, chronicling her months spent living with the rebel guerillas in the forests. In documenting their local struggles, Roy addresses the much larger question of whether global capitalism will tolerate any societies existing outside of its colossal control. "A riveting account . . . a necessary book by one of India's most distinctive voices." -Washington Post

The Beast Jun 28 2020 ONE OF THE BEST BOOKS OF THE YEAR, *The Economist* and *The Financial Times* "Harrowing" true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an "honorable successor to enduring works like George Orwell's *The Road to Wigan Pier*" (*New York Times*) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful,

unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.

The God of Small Things Sep 24 2022 WINNER OF THE MAN BOOKER PRIZE • NEW YORK TIMES BESTSELLER • An affluent Indian family is forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* "[*The God of Small Things*] offers such magic, mystery, and sadness that, literally, this reader turned the last page and decided to reread it. Immediately. It's that haunting."—USA Today Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

The Shape Of The Beast Jul 22 2022 *The Shape of the Beast* is our world laid bare by a mind that has consistently and unhesitatingly engaged with its changing realities and often anticipated the way things have moved in the last decade. In the fourteen interviews collected here, conducted between January 2001 and March 2008, Arundhati Roy examines the nature of state and corporate power as it has emerged during this period, and the shape that resistance movements are taking. As she speaks about people displaced by dams and industry, the genocide in Gujarat, Maoist rebels, the war in Kashmir and the global War on Terror, she raises fundamental questions about democracy, justice and non-violent protest. Unabashedly political, this is also a deeply personal collection that talks about the necessity of taking a stand and about the dilemma of guarding the private space necessary for writing in a world that demands urgent, unequivocal intervention.

Comrade Feb 23 2020 When people say "comrade," they change the world. In the twentieth century, millions of people across the globe addressed each other as "comrade." Now, among the left, it's more common to hear talk of "allies." In *Comrade*, Jodi Dean insists that this shift exemplifies the key problem with the contemporary left: the substitution of political identity for a relationship of political belonging that must be built, sustained, and defended. Dean offers a theory of the comrade. Comrades are equals on the same side of a political struggle. Voluntarily coming together in the struggle for justice, their relationship is characterized by discipline, joy, courage, and enthusiasm. Considering the egalitarianism of the comrade in light of differences of race and gender, Dean draws from an array of historical and literary examples such as Harry Haywood, C.L.R. James, Alexandra Kollontai, and Doris Lessing. She argues that if we are to be a left at all, we have to be comrades.

Broken Republic Oct 25 2022 War has spread from the borders of India to the forests in the very heart of the country. Combining brilliant analysis and reportage by one of India's iconic writers, *Broken Republic* examines the nature of progress and development in the emerging global superpower, and asks fundamental questions about modern civilization itself - in three incisive essays: Mr Chidambaram's War 'The low, flat-topped hills of south Orissa have been home to the Dongria Kondh long before there was a country called India or a state called Orissa . . . ' *Walking with the Comrades* 'The terse, typewritten note slipped under my door in a sealed envelope confirmed my appointment with "India's single biggest internal security challenge". I'd been waiting for months to hear from them . . . ' *Trickledown Revolution* 'In the early morning hours of 2 July 2010, in the remote forests of Adilabad, the Andhra Pradesh State Police fired a bullet into the chest of a man called Cherukuri Rajkumar, known to his comrades as Azad . . . '

Kashmir May 20 2022 Kashmir is one of the most protracted and bloody occupations in the world—and one of the most ignored. Under an Indian military rule that, at half a million strong, exceeds the total number of US forces in Iraq and Afghanistan, freedom of speech is non-existent, and human- rights abuses and atrocities are routinely visited on its Muslim-majority population. In the last two decades alone, over seventy thousand people have died. Ignored by its own corrupt politicians, abandoned by Pakistan and the West, which refuses to bring pressure to bear on its regional ally, India, the Kashmiri people's ongoing

quest for justice and self-determination continues to be brutally suppressed. Exploring the causes and consequences of the occupation, Kashmir: The Case for Freedom is a passionate call for the end of occupation, and for the right of self-determination for the Kashmiri people.

My Seditious Heart Jun 21 2022 Twenty years, a thousand pages, and now a single beautiful edition of Arundhati Roy's complete non-fiction. 'Arundhati Roy is one of the most confident and original thinkers of our time' Naomi Klein 'The world has never had to face such global confusion. Only in facing it can we make sense of what we have to do. And this is precisely what Arundhati Roy does. She makes sense of what we have to do. Thereby offering an example. An example of what? Of being fully alive in our world, such as it is, and of getting close to and listening to those for whom this world has become intolerable' John Berger 'Arundhati Roy calls for 'factual precision' alongside of the 'real precision of poetry.' Remarkably, she combines those achievements to a degree that few can hope to approach' Noam Chomsky 'Unflinching emotional as well as political intelligence... Lucid and probing insights on a range of matters, from crony capitalism and environmental depredation to the perils of nationalism and, in her most recent work, the insidiousness of the Hindu caste system. In an age of intellectual logrolling and mass-manufactured infotainment, she continues to offer bracing ways of seeing, thinking and feeling' TIME magazine My Seditious Heart collects the work of a two-decade period when Arundhati Roy devoted herself to the political essay as a way of opening up space for justice, rights and freedoms in an increasingly hostile environment. Taken together, these essays trace her twenty year journey from the Booker Prize-winning *The God of Small Things* to the extraordinary *The Ministry of Utmost Happiness*: a journey marked by compassion, clarity and courage. Radical and readable, they speak always in defence of the collective, of the individual and of the land, in the face of the destructive logic of financial, social, religious, military and governmental elites. In constant conversation with the themes and settings of her novels, the essays form a near-unbroken memoir of Arundhati Roy's journey as both a writer and a citizen, of both India and the world, from 'The End of Imagination', which begins this book, to 'My Seditious Heart', with which it ends.

The Secret Invention Oct 21 2019 The students of Mouseford Academy are participating in an enormous science fair! Mice from schools around the world are all hoping to take the top prize. The Thea Sisters would love to win, but so would Ruby Flashyfur - and she's willing to do whatever

Public Power in the Age of Empire Mar 06 2021 In her major address to the 99th annual meeting of the American Sociological Association on August 16, 2004, "Public Power in the Age of Empire," broadcast nationally on C-Span Book TV and on Democracy Now! and Alternative Radio, writer Arundhati Roy brilliantly examines the limits to democracy in the world today. Bringing the same care to her prose that she brought to her Booker Prize-winning novel *The God of Small Things*, Roy discusses the need for social movements to contest the occupation of Iraq and the reduction of "democracy" to elections with no meaningful alternatives allowed. She explores the dangers of the "NGO-ization of resistance," shows how governments that block nonviolent dissent in fact encourage terrorism, and examines the role of the corporate media in marginalizing oppositional voices.

A State of Freedom Jul 30 2020 Longlisted for the DSC Prize for South Asian Literature What happens when we attempt to exchange the life we are given for something better? Five people, in very different circumstances, from a domestic cook in Mumbai, to a vagrant and his dancing bear, and a girl who escapes terror in her home village for a new life in the city, find out the meanings of dislocation, and the desire for more. Set in contemporary India and moving between the reality of this world and the shadow of another, this novel delivers a devastating and haunting exploration of the unquenchable human urge to strive for a different life.

Let's call him Vasu Nov 14 2021 How did Chhattisgarh turn into India's 'biggest internal security threat'? How did it become the epicentre of the Maoist rebellion? Why did the backbenchers—the quiet adivasi classmates from the author's school—turn into the nation's 'biggest terrorists'? In this passionate quest to find out what ails the failing heart of India, Shubhranshu Choudhary spent seven years with hundreds of Maoists, asking probing questions at all levels of their hierarchy to meticulously piece together the stories of these hunted men and women. At the centre of this extraordinary account is the enigmatic Vasu—at once comrade and rebel, friend and stranger. By telling his story, Choudhary destroys many stereotypes to flesh out a layered portrait of the misunderstood Maoist, making *Let's Call Him Vasu* the most comprehensive

and least partisan account of Maoists in recent times.

Obama's Wars Apr 07 2021 Bob Woodward's new book draws from hundreds of interviews with key administration figures, their deputies and other firsthand sources. In addition, the book is based on extensive documentation, including internal memos, letters, chronologies and meeting notes. It will focus on national security, especially the wars in Afghanistan and Iraq and the fight against terrorism. Woodward has structured the book to answer the questions: How does Obama govern? How and why does he decide? And how does he balance the numerous pressures of the modern presidency? Obama has learned that he is not commander-in-chief of the economy, and many of his high-profile reforms - such as health care, education and energy - have been turned over to Congress. But the president has realized he has almost total authority as commander-in-chief. Woodward thinks of the book as conceptually titled, *The Crucible: Obama at War*. Filled with intimate details and verbatim accounts that come from meticulous reporting, this is an unprecedented look at a young president in the 21st Century.

Beato's Delhi Apr 26 2020 Beato's Delhi offers a pictorial history of Delhi, brought vividly to life through the visual virtuosity of Felice A. Beato, the famous nineteenth-century photographer who came to India to record the last embers of the 1857 'Mutiny', and Jim Masselos who, in 1997, retraced Beato's footsteps and photographed the same sites as far as possible. By the time Beato reached Delhi in January 1858, the British had already subdued the city, so he could not record the military campaign itself. However, his lens was perhaps the first to capture the battleground and other places of note in that campaign, providing for posterity some unique views of Old Delhi before substantial parts of it were demolished in the aftermath of 1857, or radically redeveloped as the years progressed. Beato's luminous views are juxtaposed with Masselos's present-day photographs of the bustling metropolis, shedding light on how the face of Delhi has transformed in the intervening 154 years. Supplemented with an illuminating text by Masselos and Narayani Gupta, Beato's Delhi is a moving testament to the resilience of this ever-evolving city.

Games Indians Play Oct 01 2020 'Raghunathan writes really well . . . there are rare instances where a reviewer thinks; I wish I could write like that. This is one of those rare instances' —Bibek Debroy in Indian Express In a rare attempt to understand the Indianness of Indians—among the most intelligent people in the world; but also; to a dispassionate eye; perhaps the most baffling—V. Raghunathan uses the props of game theory and behavioural economics to provide an insight into the difficult conundrum of why we are the way we are. He puts under the scanner our attitudes towards rationality and irrationality; selflessness and selfishness; competition and cooperation; and collaboration and deception. Drawing examples from the way we behave in day-to-day situations; *Games Indians Play* tries to show how in the long run each one of us—whether businessmen; politicians; bureaucrats; or just plain us—stand to profit more if we were to assume a little self-regulation; give fairness a chance and strive to cooperate and collaborate a little more even if self-interest were to be our main driving force.

The Passing of an Illusion Nov 21 2019 This book is a history of the ideological passions that have fueled and characterized the modern era. It serves as an effort to revise the understanding of the 20th century at the "fin de siècle".

The End of Imagination Sep 12 2021 Five books of essays in one volume from the Booker Prize-winner and "one of the most ambitious and divisive political essayists of her generation" (The Washington Post). With a new introduction by Arundhati Roy, this new collection begins with her pathbreaking book *The Cost of Living*—published soon after she won the Booker Prize for her novel *The God of Small Things*—in which she forcefully condemned India's nuclear tests and its construction of enormous dam projects that continue to displace countless people from their homes and communities. *The End of Imagination* also includes her nonfiction works *Power Politics*, *War Talk*, *Public Power in the Age of Empire*, and *An Ordinary Person's Guide to Empire*, which include her widely circulated and inspiring writings on the US invasions of Afghanistan and Iraq, the need to confront corporate power, and the hollowing out of democratic institutions globally. Praise for Arundhati Roy "The fierceness with which Arundhati Roy loves humanity moves my heart." —Alice Walker, Pulitzer Prize-winning author and recipient of the LennonOno Grant for Peace Award "Arundhati Roy combines her brilliant style as a novelist with her powerful commitment to social justice in producing these eloquent, penetrating essays." —Howard Zinn, author of *Political Awakenings* and *Indispensable* Zinn "Arundhati Roy is incandescent in her brilliance and her fearlessness.

And in these extraordinary essays—which are clarions for justice, for witness, for a true humanity—Roy is at her absolute best.” —Junot Díaz, author of the Pulitzer Prize-winning *The Brief Wondrous Life of Oscar Wao* “One of the most confident and original thinkers of our time.” —Naomi Klein, author of *No Is Not Enough* and *The Battle For Paradise* “Arundhati Roy calls for ‘factual precision’ alongside of the ‘real

precision of poetry.’ Remarkably, she combines those achievements to a degree that few can hope to approach.” —Noam Chomsky, leading public intellectual and author of *Hopes and Prospects* “India’s most impassioned critic of globalization and American influence.” —The New York Times
