Wordsworth

This volume is a collection of newly published scholarly studies honoring Prof.Dr. David. E. Aune on his 65th birthday. These groundbreaking studies written by prominent international scholars investigate a range of topics in the New Testament and early Christian literature with

insights drawn from Greco-Roman culture and Hellenistic Judaism. The story of Michael Sullivan (aka the Angel of Death), a hit man for an Irish American gang in Depression-era Chicago. His work crosses into his private life, leading to the death of his beloved wife and son, leading Sullivan and his surviving son to set out on a journey of revenge. In this solid evangelical commentary on John's Gospel, a respected Scripture expositor makes clear the flow of the text, engages a small but representative part of the massive secondary literature on John, shows how the Fourth Gospel contributes to biblical and systematic theology, and offers a consistent exposition of John as an evangelistic Gospel. The comprehensive introduction treats such matters as the authenticity, authorship, purpose, and structure of the Gospel. While trying to create a spatial entanglement, one of MIT senior Jamie Preston's lab experiments detonates. As investigators sift through the wreckage of the explosion, Jamie is approached by Rick Reese, who offers him a lucrative contract if he can convert his accident into a weapon. A grisly discovery made in a mine tunnel when Jamie and Rick test the weapon prototype sets off a chain of events that pit Jamie and Rick in a fight for their lives against a powerful child sex trafficking ring, an unscrupulous CIA official, and a corrupt senator desperate to remain in power. Pathway to

Perdition kicks off The Rewrite Saga, an action-packed, thought-provoking, and steamy hard science fiction series about ambition, intrigue, love, and the dangers of unintended consequences. Michael O'Sullivan is a deeply religious family man who works as the chief enforcer for an Irish mob family. But after O'Sullivan's eldest son witnesses one of his father's hits, the godfather orders the death of his entire family. Barely surviving an encounter that takes his wife and youngest son, O'Sullivan and his only remaining child embark on a dark and violent mission of retribution against his former boss. Featuring accurate portrayals of Al Capone, Frank Nitti, and Eliot Ness, this book offers a poignant look at the relationship between a morally conflicted father and his adolescent son who both fears and worships him. Since the adoption of the Accra Declaration by the World Alliance of Reformed Churches in Accra, Ghana, 2004 churches in the Reformed communion all over the world have been confronted with some of the most burning issues of our day: globalisation in the myriad life-changing ways it impacts on the world and the lives of ordinary people in communities everywhere. The Bible for every battle every man faces This is a man's type of Bible--straight talk about the challenges of life. Every Man's Bible has thousands of notes on topics from work, sex,

and competition to integrity and more and trusted advice from the pros, just for men. Every Man's Bible is written by the best-selling author of the Every Man's series, Steve Arterburn. Features: New International Version text Book introductions and 44 charts Study Notes Help you gain a better perspective on a particular verse or passage Men, Women, and God--This feature focuses on two of the most important relationships in every man's life: his relationship with God and his relationships with women Someone You Should Know--Profiles of men in the Bible and what their lives can teach us about the importance of faith in our own lives What the Bible Says About--Gives insight into the Bible's vital message on all kinds of topics for daily living Perspectives--Glean bits of information from great men who have lived through many of the same issues and struggles that you face Personal Gold--Sound advice from the pros: Henry Blackaby, Stuart Briscoe, Tony Evans, David Jeremiah, Gordon MacDonald, Bill McCartney, J. I. Packer, Joseph Stowell, and Chuck Swindoll But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. 1 Timothy 6:9 There are so many people who have been led up by the wrong peoples Jesus was taking into the holy city and up in a high mountain to be tempted by his

adversary, the devil. Yelling to temptation will keep you from being in a relationship with the Lord. Luke 4:5 Matthew 4:1 Love Christine Sheats A big mistake. A quest for revenge. Now Hell has a new bounty hunter. It was all a big mistake. Christopher Sawyer never wanted to be Hell's bounty hunter, and he was pretty sure Hell didn't want him for the job either. But mistake or not, he is now the master of the Book and Blade and charged with becoming the Hunter of Lost Souls, tracking down escaped dark souls and returning them to their prisons in Hell. Now Christopher must master the power of Hell inside of him if he hopes to survive this new reality. And if he can get a little revenge in the process, all the better. Book and Blade: His simple college life shattered and his family taken from him, Christopher must figure out how to use his new-found abilities to hunt down the dark soul responsible. A dark soul that is in league with the most powerful crime organization in the city. Eater of Souls: A new type of creature has escaped the underworld. A monster that likes the taste of human souls. And it is not working alone. With the help of a young woman cloaked in her own mysteries and a cynical police detective, Christopher must find a way to defeat it before it unleashes its own hell on earth. The Demon Collector: Christopher's latest hunt will take him from New York to the slums of Mexico. To make

matters worse, the dark souls are united, and they have a new weapon, a recruit fresh from the underworld. And he's brought a whole army with him. This first omnibus of The Hand of Perdition contains the first three books of this thrilling urban fantasy. If you like fast-paced urban fantasy, vile demons, and dark supernatural forces, then you will love this new series by Erik Lynd. Thirteen noted Holocaust scholars respond to the question: If you had a chance to speak with the Pope, what would you say? The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-

of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions. A new chapter in the saga of the O'Sullivan crime family from the acclaimed movie Road To Perdition. The time is America in the early 1970s and our third-generation hero, Michael Satariano, Jr. is a Vietnam vet recently returned to the States. He doesn't know that his father's real name was

Michael O'Sullivan, and is unaware of the conflict between his dad, his grandfather and John Looney - the criminal godfather of Rock Island, Illinois. But when he's recruited by the Mob as a hit man, he's going to learn the hard way that you can never outrun (or outgun) your past. Some oppressed groups fought with guns, some fought in court, some exercised civil disobedience; the Melungeons, however, fought by telling folktales. Whites and blacks gave the name "children of perdition" to mixed Americans during the 300 years that marriage between whites and nonwhites was outlawed. Mixed communities ranked socially below communities of freed slaves although they had lighter skin. To escape persecution caused by the stigma of having African blood, these groups invented fantastic stories of their origins, known generally as "lost colony" legends. From the founding of America, through the American Revolution, the Civil War and World War II, the author documents the histories of several related mixed communities that began in Virginia in 1619 and still exist today, and shows how they responded to racism over four centuries. Conflicts led to imprisonment, whippings, slavery, lynching, gun battles, forced sterilization, and exile--but they survived. America's view of mixing became increasingly intolerant and led to a twentieth-century scheme to forcibly exile U.S. citizens,

with as little as ?one drop? of black blood, to Africa even though their ancestors arrived before the Mayflower. Evidence documents the collaboration between American race purists and leading Nazi Germans who perpetrated the Holocaust. The author examines theories of ethnic purity and ethnic superiority, and reveals how mixed people responded to "pure race" myths with origin myths of their own as Nazi sympa-thizers in state and federal government segregated mixed Americans, citing the myth of Aryan supremacy. Finally, Children of Perdition explains why many Americans view mixing as unnatural and shows how mixed people continue to confront the Jim Crow "one drop" standard today. Some oppressed groups fought with guns, some fought in court, some exercised civil disobedience; the Melungeons, however, fought by telling folktales. Whites and blacks gave the name "children of perdition" to mixed Americans during the 300 years that marriage between whites and nonwhites was outlawed. WELCOME TO HELL The prison ship Perdition, a floating city where the Conglomerate's most dangerous criminals are confined for life, orbits endlessly around a barren asteroid. Life inside is even more bleak. Hailed as the Dread Queen, inmate Dresdemona "Dred"

Devos controls one of Perdition's six territories, bordered on both sides by would-be kings eager to challenge her claim. Keeping them at bay requires constant vigilance, as well as a steady influx of new recruits to replace the fallen. Survival is a constant battle, and death is the only escape. Of the newest convicts, only one is worth Dred's attention. The mercenary Jael, with his deadly gaze and attitude, may be the most dangerous criminal onboard. His combat skill could give her the edge she needs, if he doesn't betray her first. Unfortunately, that's what he does best. Winning Jael's allegiance will be a challenge, but failure could be worse than death... FIRST IN A NEW SERIES! Imagine waking up in a world where you could do whatever you want - be whoever you wanted to be... Imagine being told that you must save this world from the apocalypse. Given this chance, what would you do? Would you complete quests, level up, use your skills wisely and be the hero you were chosen to be? For Travis and Natalie, this question did not have the same answer. Two different lives. Two separate journeys. One dark, unforgiving world. Escape your life. Embrace the darkness. Enter- Dungeons of Perdition. A never-before-seen world where anything is possible- But everything is at stake. How far would you go to save everything in existence? A fresh, nail-biting LitRPG adventure. Guranteed to keep you

turning the pages till the end. The clock is ticking. The apocalypse is here. Grab it now, before its too late! With the threat of calling out the United States military to "dominate" US citizens in peaceful protest, Donald Trump has shown America his true autocratic tendencies and desire to rule this nation with an iron fist. For all those concerned with the safeguarding of our democracy you should read this book.

"Trump: The Chosen One" explores the seduction of the Christian Right by Donald Trump preying on fears and prejudices to create false narratives and controversies, promoting an agenda of division, obfuscation and misdirection within our nation. This book shreds the moral and ethical reasoning of that large part of the Christian Right's unwavering support for a president whose actions show disdain for moral standards. We explore the danger of allowing a fanatical religious ideology to weave its way into the fabric of our political system, threatening out democracy. We draw a connection through: the hypocrisy of the religious right. Income and wealth inequality, foreign policy, climate change and the systematic dismantling of political, judicial and governmental institutions. We rely on a foundational American principle to frame the first three years of the Trump administration to reveal how this president's stance on global warming and steadfast support for fossil fuels

places him in lockstep with Vladimir Putin and other tyrannical leaders. This book questions Trump's appeal to people of faith who should be alarmed at the president' lack of a moral compass; as well as civic-minded republicans who no longer recognize today's GOP; It is an alarm to all those who are concerned with the preservation of our democracy who are concerned with: our environment, the relationship between faith and politics, Constitutional history, economic and tax policy.
