*Gossip from the Forest* Oct 01 2020 Fairytales are one of our earliest and most vital cultural forms, and forests one of our most ancient landscapes. Both evoke a similar sensation in us - we find them beautiful and magical, but also spooky, sometimes horrifying. In this fascinating book, Maitland argues that the two forms are intimately connected: the mysterious secrets and silences, gifts and perils of the forests were both the background and the source of the fairytales made famous by the Grimms and Hans Christian Andersen. Yet both forests and fairy stories are at risk and their loss deprives us of our cultural lifeblood. Maitland visits forests through the seasons, from the exquisite green of a beechwood in spring, to the muffled stillness of a snowy pine wood in winter. She camps with her son Adam, whose beautiful photographs are included in the book; she takes a barefoot walk through Epping Forest with Robert Macfarlane; she walks with a mushroom expert through an oak wood, and with a miner through the Forest of Dean. Maitland ends each chapter with a unique, imaginative re-telling of a fairytale. Written with Maitland's wonderful clarity and conversational grace, *Gossip from the Forest* is a magical and unique blend of nature writing, history and imaginative fiction.

The Devil's Bones Jan 04 2021 The Devil's Bones is the latest novel in the series from Carolyn Haines that Kirkus Reviews characterizes as "Stephanie Plum meets the Ya-Ya Sisterhood" featuring sassy Southern private investigator Sarah Booth Delaney. As Sarah Booth sees it, Easter weekend is a time to celebrate life in all its many forms. So when the newly-pregnant Tinkie invites her and Cece on a girls' trip to Lucedale, Mississippi to celebrate that spring has officially sprung, Sarah Booth can't resist. Plans include facials, food, and a trip to the incredible Garden of Bones—a miniature Holy Land with recreations of all parts of the Middle East—for their Sunrise Easter Services led by biblical scholar, gardener, and creator of the Gardens Daniel Reynolds. Unfortunately for Sarah Booth and the gang, someone doesn't seem appreciate this season of new life. Easter morning has just dawned when the trio find themselves at the Mount of Olives—with a dead body at their feet. Reynolds identifies the dead man as local lawyer Perry Slay, who was well known for his sly and underhanded dealings. Perry had rubbed plenty of people the wrong way, and now it looks like someone has rubbed him out... Because being a PI apparently means never being on vacation, Sarah Booth and her friends must now find a way to resurrect the truth from a list of suspects as long as the River Jordan, reveal the devil in disguise, and—if they're lucky—find a moment to enjoy a few chocolate bunnies before more bodies pile up like pillars of salt.
