Connect to your Spirit and ET Guides Jul 21 2022 Many people wonder if they have Guides, how many they have, and how they can connect with them. In *Connect to your Spirit and ET Guides*, Peter Maxwell Slattery helps the reader gain direct connection to their own Guides. The benefits people have experienced from the information and techniques in this book include: Increased psychic abilities, Deeper connection to themselves on a soul level, Firsthand experience and information from their Guides, Protection techniques and how to use discernment when connecting with Beings, and Meaning and understanding in their lives. Peter also describes some of the difficulties that might be experienced when practicing these techniques—and how to manage any difficulties that arise—plus descriptions of fascinating Beings from our universe and beyond that meditators might encounter.

A Survey of the Principles and Practice of Wave Guides Mar 05 2021

Originally published in 1947, this book was written to provide an introductory survey of the developments in electromagnetic waves. Although the propagation of electromagnetic waves in metal tubes - wave-guides - had been studied for over fifty years prior to the publication of this book, the subject was primarily of theoretical interest.

The treatment in this book reflects the movement away from the theoretical to a more practical interest in waves during the war, with the development of the first micro-wave radar equipment in 1940-1. The first six chapters are based on courses on microwave techniques, which were given during the war at the Radar School of the Telecommunications Research Establishment, whilst chapter seven is a mathematical treatment of the subject. This book will be of great value to scholars of the history of physics and electromagnetics.

Insight Guides Alaska (Travel Guide eBook)

Jan 15 2022 Bears, birds, totems, cruising amidst the glaciers, camping in the wilderness... Alaska can still astonish the most jaded of travellers. Insight Guide Alaska is a comprehensive full-colour travel guide to the huge, untamed spaces of America's 49th state. Beautiful photographs on every page will take you on a journey through the Last Frontier. Our Best Of section selects Alaska's top attractions and activities not to miss, such as touring on a luxury train, observing wild bears, bald eagles,

and humpback whales in Glacier Bay National Park, and seeing the Northern Lights. Lively features by local writers cover a whole range of subjects: choosing a cruise, testing your survival skills, staying in a wildlife refuge, getting around by ferry, gold-panning and how to spot a bear. Insight Guides' unrivalled coverage of history, landscape and culture provides an essential introduction to this vast state. Evocative accounts of Alaska's national parks and varied wildernesses combine with lively descriptions of the main towns and visitor hubs. All major sights are cross-referenced with full-colour maps, and the travel tips section provides a wealth of practical information on how to plan your trip. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides.
