Fallen Sparrow Feb 19 2022 When U.S. Customs and Border Protection Agent Peyton Cote is called to a mysterious burned-out cabin, she has no idea it will lead her to reconnect with Dr. Sherry Duvall. Their re-acquaintance, however, comes under difficult circumstances—Sherry's brother is accused of murder, and her father and mother have just died in a murder-suicide. On the home front, single-mom Peyton is waging a different battle—helping son Tommy fight his learning disability. Amidst all this, a man is lurking who has only revenge on his mind, the kind of revenge that could cripple the nation and leave even those close to him as nothing more than fallen sparrows. The Church Apr 28 2020 After the suicide death of the Reverend Raymond Niemeyer, Granite City's only evangelical church is on the verge of closing. In desperation, the board of trustees hurriedly hires a new minister, Claude Brennan. After one month on the job he appears to be a dream come true, he is the savior of the parish. He is charismatic and a prolific speaker with mesmerizing powers. In less than five months, his church is the largest church in the city with over half of the residents as members. It appears that nothing will stop him from being the only church in town. That is until a new schoolteacher, Jordan Allain, arrives in town to start her first teaching job in Granite School District. Coming into town on a late Sunday August evening, she is curious when she sees the closed Catholic Church open again. She stops and there encounters Claude Brennan and his Church. She cannot believe the spectacle that befalls her. The Church is over crowded and the people are enchanted by his every word. His audience is hypnotized and so is Jordan. Leaving the service that evening she

meets the new Reverend and finds she cannot forget him. She wonders what this gifted man is doing in such a small out of the way community. A month into her teaching career Jordan meets Logan Richards, a shy unassuming fellow teacher and the two gradually fall in love and hope to have a future together. At the same time, Jordan has discovered that a series of unexplained tragedies has struck the town before her arrival. Three church fires, a missing family and two teenagers have committed suicide. All of this since Claude Brennan's arrival. To make matters worse Claude has taken an unduly interest in Jordan and she begins to feel threatened. Then on Halloween things change forever and Jordan and Logan know that if they are to make a life together and future in Granite City they are going to have to take matters into their own hands. They are committed to fighting the evil that has been brought here by Claude Brennan. They cannot rely on the community for help because nearly everyone in town is now a faithful follower of Claude. In the end the future of Granite City rests in the hands of Jordan, Logan and a few close friends. For Jordan and Logan, this is a test of their love for one another and it will challenge their ability to comprehend the true nature of their enemy. They may have a chance, but the Reverend has the power of evil on his side. The Church is Michael Putzer's second novel. His first novel, *A Winter's Rage* was published in 2007. Now retired he lives outside of Hurley, Wisconsin with his wife,

Donna and their Chinese Shar-pei dog, China.

Blue & Gold and Black Oct 03 2020 During the twentieth century, the U.S. Naval Academy evolved from a racist institution to one that ranked equal opportunity among its fundamental tenets. This transformation was not without its social cost, however, and black midshipmen bore the brunt of it. *Blue & Gold and Black* is the history of integration of African Americans into the Naval Academy. The book examines how civil rights advocates' demands for equal opportunity shaped the Naval Academy's evolution. Author Robert J. Schneller Jr. analyzes how changes in the Academy's policies and culture affected the lives of black midshipmen, as well as how black midshipmen effected change in the Academy's policies and culture. Most institutional history is written from the top down, while most social history is written from the

bottom up. Based on the documentary record as well as on the memories of hundreds of midshipmen and naval officers, *Blue & Gold and Black* includes both perspectives. By examining both the institution and the individual, a much more accurate picture emerges of how racial integration occurred at the Naval Academy. Schneller takes a biographical approach to social history. Through written correspondence, responses to questionnaires, memoirs, and oral histories, African American midshipmen recount their experiences in their own words. Rather than setting adrift their humanity and individuality in oceans of statistics, Schneller uses their first-hand recollections to provide insights into the Academy's culture that cannot be gained from official records. Covering the Jim Crow era, the civil rights movement, and the empowerment of African Americans from the late 1960s through the end of the twentieth century, *Blue & Gold and Black* traces the transformation of an institution that produces men and women who lead not only the Navy, but also the nation.
