The story of the Presteles who were artists and lithographers of plants. The brilliant retelling of the Wars of the Roses continues with Trinity, the second gripping novel in the new series from historical fiction master, Conn Iggulden. 1454: King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness for over a year, his eyes vacant, his mind a blank. His fiercely loyal wife and Queen, Margaret of Anjou, safeguards her husband's interests, hoping that her son Edward will one day know the love of his father. Richard Duke of York, Protector of the Realm, extends his influence throughout the kingdom with each month that Henry slumbers. The Earls of Salisbury and Warwick make up a formidable trinity with

Richard, and together they seek to break the support of those who would raise their colours in the name of Henry and his Queen. But when the King unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York will surely mean a war to tear England apart . . . Following on from Stormbird, Trinity is the second epic instalment in master storyteller Conn Iggulden's new Wars of the Roses series. Fans of Game of Thrones and The Tudors will be gripped from the word go. Praise for Stormbird: 'Pacey and juicy, and packed with action' Sunday Times 'Energetic, competent stuff; Iggulden knows his material and his audience' Independent 'A novel that seamlessly combines narrative, historical credence and great knowledge of the period' Daily Express 'A page-turning thriller' Mail on Sunday 'Superbly plotted and paced' The Times In 1437, after years of regency, the pious and gentle Henry VI,

the Lamb, comes of age and accedes to the English throne. His poor health and frailty of mind render him a weakling king - Henry depends on his closest men, Szymaster Derry Brewer and William de la Pole, Duke of Suffolk, to run his kingdom. Yet there are those, such as the Plantagenet Richard, Duke of York, who believe England must be led by a strong king if she is to survive. With England's territories in France under threat, and rumours of revolt at home, fears grow that Henry and his advisers will see the country slide into ruin. With a secret deal struck for Henry to marry a young French noblewoman, Margaret of Anjou, those fears become all too real. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who, or what can save the kingdom before it is too late?
