Covenant with Death May 26 2022 Stirring told from the view of everyday soldiers, *Covenant with Death* is acclaimed as one of the greatest novels about war ever written. With a new foreword by Louis de Bernières, author of *Captain Corelli's Mandolin*. They joined for their country. They fought for each other. When war breaks out in 1914, Mark Fenner and his Sheffield friends immediately flock to Kitchener's call. Amid waving flags and boozy celebration, the three men - Fen, his best friend Locky and self-assured Frank, rival for the woman Fen loves - enlist as volunteers to take on the Germans and win glory. Through ramshackle training in sodden England and a stint in arid Egypt, rebellious but brave Fen proves himself to be a natural leader, only undermined by on-going friction with Frank. Headed by terse, tough Sergeant Major Bold, this group of young men form steel-strong bonds, and yearn to face the great adventure of the Western Front. Then, on one summer's day in 1916, Fen and his band of brothers are sent to the Somme, and this very ordinary hero discovers what it means to fight for your life. 'Laden with knowledge yet sparsely written, *Covenant with Death* is the work of an author immersed in the lives of those who fought' *The Times* 'The last line ought to be carved in stone somewhere . . . Find it. Read it. You'll be a better person for having done so' Peter Hitchens, *Daily Mail* An anti-war book right up there with Remarque's *All Quiet on the Western Front* *Shortlist (The Greatest War Novels of all Time)* 'Covenant With Death . . . showed with unbearable actuality what happened to a newly formed Sheffield regiment on the first day of the battle of the Somme' Christopher Hitchens, *Guardian* 'The blood and guts, the nightmare stink of cordite . . . appalling realism' *The Times* 'Only one novel about the war since 1945 has the power and feeling of veracity to compare with the works of the 1920s and 30s . . . *Covenant with Death* by John Harris' *The Western Front Organisation* 'A superb novel' *Daily Mirror* 'John Harris's neglected masterpiece of a novel, *Covenant With Death*, is the success that it is because it follows a group of Sheffield workers from their flag-waving sign-up to the hecatomb on the Somme' *The Atlantic* 'True and terrible' *Observer* 'An outstanding achievement' *Sunday Express*

How is the murder entwined with his own forgery investigation? Love, Theodosia May 02 2020 A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. *Love, Theodosia* is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Young people interested in medicine or scientific discovery will find this book engrossing, as will history students" (School Library Journal). [He had] a fever that hovered around 104 degrees. His skin turned yellow. The whites of his eyes looked like lemons. Nauseated, he gagged and threw up again and again . . . Here is the true story of how four Americans and one Cuban tracked down a killer, one of the world's most vicious plagues: yellow fever. Journeying to fever-stricken Cuba in the company of Walter Reed and his colleagues, the reader feels the heavy air, smells the stench of disease, hears the whine of mosquitoes biting human volunteers during surreal experiments. Exploring themes of courage, cooperation, and the ethics of human experimentation, this gripping account is ultimately a story of the triumph of science. The Mill Aug 24 2019 The hallucinatory English-language debut of an overlooked German Expressionist poet Bess Brenck Kalischer's only work of prose was first published in German in 1922. Narrated by a woman being held in a sanitarium after a mental breakdown, *The Mill* is less a novel than a rhythmic, hallucinatory and fractured sequence of prose poems. On its publication, the German author Mynona described it as "more a mill, a cosmos flower, a lyricism and romantic spell than it is a 'novel.'" Shifting from pedestrian concerns to cosmic visions, from the setting of a basement mushroom farm to scenes on Sirius, Kalischer's narrator weaves together literary satire, anguished dream states and shifting subjectivities. As much *Maldoror* as *Munchausen*, *The Mill* describes an unstable journey to psychic restoration that is as radically experimental today as when it was first published a century ago. Bess Brenck Kalischer (1878-1933) was born Betty Levy in Rostock. Although she began publishing her first poems in 1905, she began to make a name for herself as part of the second generation of German Expressionists in Dresden, cofounding the *Expresstionistische Arbeitsgemeinschaft Dresden* (Expressionist Working Group of Dresden) alongside such members as Conrad Felixmüller. Later relocating to Berlin, she was a friend of Salomo Friedlaender/Mynona, who used her as a model in several stories and novels. She died of a "nervous disease" in 1933, her grave left without a headstone until 2014.

The Red and the Black Jun 14 2021 A Major New Translation *The Red and the Black*, Stendhal's masterpiece, is the story of Julien Sorel, a young dreamer from the provinces, fueled by Napoleonic ideals, whose desire to make his fortune sets in motion events both mesmerizing and tragic. Sorel's quest to find himself, and the doomed love he encounters along the way, are delineated with an unprecedented psychological depth and realism. At the same time, Stendhal weaves together the social life and fraught political intrigues of post-Napoleonic France, bringing that world to unforgettable, full-color life. His portrait of Julien and early-nineteenth-century France remains an unsurpassed creation, one that brilliantly anticipates modern literature. Neglected during its time, *The Red and the Black* has assumed its rightful place as one of the world's great books, and Burton Raffel's extraordinary new translation, coupled with an enlightening Introduction by Diane Johnson, helps it shine more brightly than ever before.

It depicts the struggles of young Scarlett O'Hara, the spoiled daughter of a well-to-do plantation owner, who must use every means at her disposal to claw her way out of poverty following Sherman's destructive "March to the Sea". Gone With the Wind is a story about civil war, starvation, rape, murder, heartbreak and slavery. It is not necessarily a book one would associate with hope.

And yet, at the novel's heart lies Scarlett O'Hara, one of the most ruthlessly optimistic characters in literature. This edition is in 4 volumes.
